Workshops & Other info!

Cha Cha Cha – (Suitable for All) Come and learn the Cha Cha Cha with Startlight. During this session we will teach the basic step and timing and put together a routine to a chosen piece of music. The Cha Cha is another fun and versatile Latin dance. Interpretation of Cha-Cha-Cha music should produce a happy, carefree, cheeky, party-time-like atmosphere. The dance draws its name from the rhythm of the feet on the dance floor - 'cha cha cha' - and today's version resembles the original Cuban Cha Cha.

Cuban Salsa Men's Styling: (Improvers & Intermediate Level) During this session Miguel will pay attention to men shines (footwork), freestyle movement and mans styling to help our male dancers develop their personal style on the dance floor

Ladies styling with Guest Tutor Colleen Daniels (Improvers and Intermediate): Ladies do you love Salsa, but want to shine on the dance floor? – Then this is the class for you. We have invited Colleen in for our Lady Salsa dancers to help you to learn how to shine on the dance floor! Coleen has taught with many of the best UK Salsa teachers & is known for her infectious personality as much as she is for her ability as a dancer. During the session styling of all our ladies will be the focus with a great attention to styling & spin techniques.

Bachata with Miguel and Martina (Intermediate) During this session we will teach an intense routine you can use with you at any good Salsa club. Suitable for dancers who know and understand Bachata timing and musicality. Bachata is a beautiful and sensual dance that originates from the Dominican Republic, now becoming very popular in Europe. Bachata music is usually played at most good Salsa clubs and parties, so it's one to learn! Easier to learn than Salsa with a slower tempo.
